

PROTECT YOUR RIGHT TO RIDE STAY IN BOUNDS

If you think sledding past the "No Snowmobiling" signs on Mt. Jefferson is harmless fun and "no big deal" ... You're wrong!

There are groups trying to ban snowmobiles from Mt. Jefferson and pictures of tracks in "out of bounds" areas are being used as fuel for their cause.

If you're ignoring the signs, you might as well be signing a petition to ban snowmobiles! Protect our access to Mt. Jefferson by obeying the signs.

Thanks!

Sponsored by the Idaho State Snowmobile Association
